

LMA 1 INTERAGENCY TEAM VISION

It is the vision of the One-Stop Workforce Development System in Northwest Missouri (SDA 1), through partnership with each local community, to ensure that every employer maintains a qualified productive workforce, and that every job-seeker has education and training opportunities, throughout their lifetime, which provides employment commensurate with their abilities and goals.

MISSION STATEMENT

To provide our customers (community, employers, job-seekers) with comprehensive, innovative employment training services in a timely, professional, and courteous manner, which will afford flexibility and individuality in developing a self-sufficient, productive, and skilled workforce in Northwest Missouri.

To fulfill our Mission, we will:

1. Build a partnership with partner agency staff to include comprehensive in-service cross training which will further develop and enhance individual skills and abilities in providing flexible, creative, and unique services to our customers.
2. Build a partnership with employers and the community to encourage a greater awareness and utilization of services through clear communication and credible marketing techniques.
3. Build a partnership with our job-seekers which includes the provision of expedient, comprehensive employment training services designed to meet their individual needs and promotes self-sufficiency in a professional, warm, and friendly atmosphere.
4. Our foundation, upon which all partnerships will be built and all services will be provided, includes the following five core values:

HONESTY - INTEGRITY - EMPATHY - FLEXIBILITY - HUMOR
